Subject: Determination of Completeness for Permit Renewal, Task ID #5286, Canyon Fuel Company, LLC, Soldier Canyon Mine, C/007/0018

Dear Mr. Tatton:

The Division received your application for renewal of the Soldier Canyon Mine permit on September 30, 2016. An initial review of the submitted information indicates that the application is administratively complete. The Division will now provide notice to all appropriate agencies that an application is available for public review and comment.

Because of the strict time frames associated with public notice for a renewal application, you should immediately proceed with publication as required by R645-300-121. At the same time you should ensure that a copy of your current plan is filed with the county recorder. A copy of the Affidavit of Publication should be forwarded to the Division as soon as it is available.

Thank you and please call me at (801) 538-5350 if you have any questions.

Sincerely,

Steve Christensen
Permit Supervisor
